Advisors; please schedule your club shift(s) before fair. Plan for 8-10 youth and 2-4 adults for every shift.

Cloverbuds will not be permitted to work in the lunch stand.

Please arrive 5-10 minutes early for your shift so instructions can be passed on; especially adult helpers and advisors. Clubs with the last shift of the day will be asked to have the cashier stay to do end of day count. Lastly, there is no eating in the food stand while you are working!
