2. All Boer and Boer Cross classes will be allowed horns as long as they are tipped.
3. Any doe that has ever freshened shall compete in the senior division (Doe in Milk). This includes dry milkers.
4. Any doe 24 months of age or over that has never freshened shall not be shown except in showmanship or harness class.
5. No Angora, Pygmy and Nigerian Dwarf or crossbreed of Angora, Pygmy Goats or Nigerian Dwarf will be allowed to show in any market or dairy class. These animals are not considered dairy or market.
6. For Meat-Type breeding, number of teats will not disqualify goat from competition.
7. Goats with any percentage of meat breeding or meat cross must show in the Meat-Type market kid classes and Meat-Type breeding classes.
8. No drenching will be allowed unless veterinarian prescribed and deemed medically necessary for illness. This includes the use of show enhancing products (conditioners, whitening, smacking of animals, cooling products, etc.). Violators could

- 
- be disqualified.
9. Market kids will be tagged at the Crawford County Fairgrounds second Saturday of May. Exhibitors will receive additional information.
  10. No animal will be tagged unless it is disbudded, castrated if necessary. (Castration may be done surgically or by banding) and have a USDA Scrapie ID tag. Market kids may be wethers or does. Only two market kids can be shown or sold.
  11. All goats, no matter what class, will be required to have USDA Scrapie ID tags or ear tattoos with proper registration paperwork at the fair.
  12. All animals, regardless of the class, shall be brought to the fair slick shorn (completely slick shorn from the bottom of the lower jaw down. Legs are optional. You may leave a "paint brush" on the tail.), washed, and presentable for exhibition at the fair.
  13. Only 4-H advisors and family members of an exhibitor may assist with fitting, grooming, or handling of the animal once it is at the fair. Goats shall remain in the area of the goat barn the day of show.
  14. All goats must be in good health upon arrival at the fair. The vet will be checking animals off the trailer, if possible. If not – shortly after. If an animal is deemed unhealthy by veterinarian, it shall be removed from the fairgrounds as soon as possible. Fair veterinarian has final say of animals well being and treatment of animals on the grounds. All Market Animals shall be drug free on show day because this is a **PARTIALLY TERMINAL CONTEST**. Any animal treated at the fair will follow the Junior Fair rules of withdraw and will be housed at the owner's expense until withdraw times are completed.

  18. Market kids will be weighed off of the trailer the day prior to fair. Market kids under 40 lbs may show but not sell. Anyone not satisfied with the first weight taken may immediately request a re-weigh. In this case the second weight taken becomes official. Re-weighs are held immediately
  19. Overall Champion and Overall Reserve Champion Dairy Market Kids and Meat-Type Market Kids must be sold.
  20. All market kids will be consigned to the sale. Any exhibitor wishing to take a kid or kids home must turn in a "Sale Withdrawal" slip immediately after the show (only 2 market kids may sell).
