Advisors; please schedule your club shift(s) before fair. Plan for 8-10 youth and 3-4 adults for every shift. You may have members work the entire timeframe or split club shifts into smaller shifts.

Members who can not attend their clubs assigned shift are always welcome to come work at another time during the week.

Please arrive 5-10 minutes early for your shift so instructions can be passed on; especially adult helpers and advisors. Clubs with the first shift of the day, are suggested to have adults come 15 minutes early to help with lunch preparation. Clubs with the last shift of the day will be asked to have the cashier stay to do end of day count. Lastly, there is no eating in the food stand while you are working.
