**Advisors; please schedule your club shift(s) before fair. Plan for 8-10 youth and 2-4 adults for every shift.**

Please arrive 5-10 minutes early for your shift so instructions can be passed on; especially adult helpers and advisors. Cloverbuds will not be allowed to work in the lunch stand EXCEPT for those clubs scheduled on the breakfast shift (8:30- 10:30 a.m.); these shifts can have the option to have cloverbud helpers however cloverbuds are NOT REQUIRED to work. Lastly, there is no eating in the food stand while you are working!
