3. Calves must be in the exhibitor's possession to be ear tagged by the first Saturday in March. The exhibitor must be present to assist.
4. Exhibitors may tag 4 calves in March and show and sell 2 at the fair.
5. Calves are to be fed without the benefit of a nurse cow.
6. All calves must be dehorned and castrated by May 15. The testicles must be removed by open castration.
7. All calves must be accompanied by a vaccination certificate. Calves must be vaccinated for viral respiratory disease (IBR, BVD, PI3, and Pasteurella). Calves must be vaccinated between April 15 – May 15.
