After selection of the Crawford County Junior Fair royalty each member will be expected to attend at least one (1) noon meeting of the Crawford County Senior Fair Board. The assigned meeting days will be determined at the informational meeting held following the royalty contest. All royalty is strongly encouraged to attend as many events outside of the Crawford County Fair as possible. Information regarding these events will be made available as soon as possible.

A youth may be selected to be on the royalty court for more than one year if awarded. However, once they have reached the highest honor (King, Queen, Prince, Princess), they will not be permitted to apply again in that category. Each year the court will be made up of at least 8 members depending on the number of applicants; final court positions will be determined by the Jr. Fair Board after June 20th and will be noted in the royalty interview letter.
