Wyandot Agronomy Day

Private Pesticide Applicator Re-Certification & Commercial Fertilizer Application Certification

Registration Form

Thursday January 29, 2015

Wyandot County Fairy Grounds 10171 St. Rt. 53 Upper Sandusky
Ohio

Due to Ohio's new legislation, any producer who applies commercial fertilizer to 50 or more acres must be certified by no later than September 30, 2017. Attending this program will complete your certification.

The registration for Fertilizer is free thanks to our sponsors. For producers who need pesticide recertification credits there will be a \$50 fee to cover certification materials

Pre-registration is required by January 22, 2015. **An additional late fee of \$25 per person may be added for any registration received after January 22, 2015.** For more information contact OSU Extension Crawford County at 419-562-8731 **Make checks payable to OSU extension and mail to Crawford County OSU Extension, 112 East Mansfield Street, Suite 303, Bucyrus Ohio 44820**
